

User Documentation

Pre-Game Options Menu:

Select graphical quality, screen resolution and reallocate controls if you would like.

In Game Main Menu:

Select when to start the game or if you would like to quit.

Aim of the Game:

The Aim of the game is to find all the necessary ingredients to the cure and combine them in a machine located at the top of the hospital. It will only work once all the ingredients have been found and after this, the game will end and automatically quit.
